APPLICATION FOR ALTERATION OR CONSTRUCTION ON A
LICENSED AERONAUTICAL FACILITY N.J.A.C. 16:54

Date: _____

Facility Name: _____

License Number: _____

Location: _____

Applicant: _____

Address: _____

Telephone: _____

Fax Number: _____

The following attachments must be submitted to allow for a complete application:

- 1. Complete, but concise description of the project (must show that project is in 'accordance with airport master plan').
2. Scaled drawing(s) which indicate location of modification with respect to closest runway ends and centerline, with dimensions (Both vertical and horizontal).
3. * Legal description of property (tax map). Copy of title, if owned; lease agreement if leased.
4. One (1) copy of completed FAA Notice of Proposed Construction or Alteration (FAA Form 7460-1) and Letter of Determination, if already issued.
5. An explanation of how potential environmental impacts will be addressed.
6. Additional documentation for special use facility or type of aircraft changes.
7. Petitions for exemptions related to the proposed changes (if necessary).

* May not be required by the Bureau for certain projects.
